

# **PARENT COMMITTEE ANNOUNCEMENT**

**Meeting: Saturday, December 13<sup>th</sup>, 2008 at 9:30am**

This year the Maironis School Parent Committee is planning several large events to celebrate our 50<sup>th</sup> year! We need and strongly encourage parents to participate at many levels. It is imperative for more members to join for continued school success. Serving on a committee will fulfill your hall monitor duties for that school year. Described below are the committee volunteer opportunities.

## ***Room Parent Volunteer***

We are requesting that each grade level (Pre-kindergarten through 10<sup>th</sup>) elect a room parent to represent that grade level for a year. This volunteer would attend scheduled meetings, assist in planning functions and act as the liaison between the teacher, Parent Committee and the schools administration.

## ***50<sup>th</sup> Jubilee Committee***

The schools 50<sup>th</sup> Jubilee will be celebrated on 9/26/09 at the new gym at PLC. This volunteer committee will plan the party, make invitations, prepare floral arrangements, and arrange for lottery and gift baskets along with many more fun tasks. It will be a chance to meet and work with other school parents and plan for a fun evening of food, music and entertainment!

## ***50<sup>th</sup> Kids Party***

We all dedicate our time and work at the school to impart the love of the Lithuanian language and culture to our children. To commemorate the schools 50<sup>th</sup> for the children we would like a committee to plan a huge kid's party which will be held during school hours at the new big gym at PLC on 9/19/09. Let the kids have a great celebration!

## ***Classroom Space Committee***

This committee will evaluate our current classroom space which the school rents from PLC. The committee will work with "Centras" on securing new classroom space, research options for accommodating the students and propose a long term plan to secure the schools future.

**Having sufficient parent participation is vital to successful school events and planning the schools future. We sincerely ask that if you can dedicate the time to get involved please attend the parent meeting and join a committee. We look forward to seeing you there!**
